THE ▶ COMPANY

KADEN Trading Co. L.L.C. is a young and promising Saudi industrial trading company equipped with a professional experienced team of engineers and technical experts specialized in the fields of oil & gas, chemical, petrochemical, water, electricity and also in Hygienic Spaces for Healthcare, Pharmaceuticals, Cleanrooms, Retails and Educational facilities.

KADEN holds versatile stock range of pipes, fittings, flanges, tubes, and other mechanical items in addition to hygienic FRP wall panels from its prestigious partner CRANE Composites – USA. That is combined with the company capabilities and unique global network of sources and partnerships which makes it your reliable source for all your project's needs.

Through its short existence, **KADEN** could leave a remarkable impression in the Saudi market by making strategic partnerships worldwide and support many prestigious projects in the kingdom with high quality materials combined with a top level technical and commercial services.

KADEN promises its clients to always meet and exceeds their expectations and to be the reliable supplier every project needs.

What We Offer

KADEN Trading Co LLC has two divisions, the first division is the General Supplies which provides stocks and sources for mechanical items such as metallic pipes, fittings, flanges, tubes, valves, and compression fittings.

The second division is the Hygienic Solutions, and it is specialized in supplying products for healthcare, retails, pharmaceutical and educational facilities with the hygienic FRP wall panels and ceiling tiles from CRANE Composites – USA and other related stainless-steel products such as trollies, cabinets, emergency showers and many others.

We also provide customized fabrication services through our local and international partners of well-known and approved fabricators.

Our services include grooving, cutting, threading, spooling, and coating. In addition to that we can provide complete fabricated items like heat exchangers, vessels, and tanks.

Our highly skilled workforce can address your requirement with tailor-made solutions that suites your needs.

KADEN is your reliable partner when it comes to urgent deliveries. We are able to supply your equipment needs on very short notice.

Products

PIPES:

Manufacturing Standards:

ASTM, ASME/EN/DIN

Process:

Seamless and Welded (EFW/ERW/SAW)

Sizes:

1/4" to 72"

Schedules:

Sch10 up to Sch160/XXS

Ends:

Beveled/Plain/Grooved/Threaded

Lengths:

SRL 5-8m and DRL 9-13m

Availability:

Stock / Production

Available Grades:

STAINLESS STEEL	A312, A358 - 304/L, 316/L, 321
CARBON STEEL	API5L, A53, A106, GR B, GR A, GR X42, GR X52, GR X60, A333
DUPLEX & SUPER DUPLEX	A790 - UNS S31803, UNS S32750, UNS S32760, F53, F55
NICKEL & HIGH TEMPERATURE	310, 904L, UNS N08825, UNS N06625, UNS N08020, Titanium Gr2

PIPE FITTINGS:

Manufacturing Standards:

ASME B16.9 – ASME B16.28 – ASME – B16.25 – MSS SP-75 – MSS SP-43,
DIN 2605 – 2606 – 2615 – 2616

Process: Seamless and Welded

Fitting Types:

45°/90°/180° LR or SR Elbows, Concentric Reducers, Eccentric Reducers,
Equal Tees, Reducing Tees, Caps.

Sizes: 1/4" to 72"

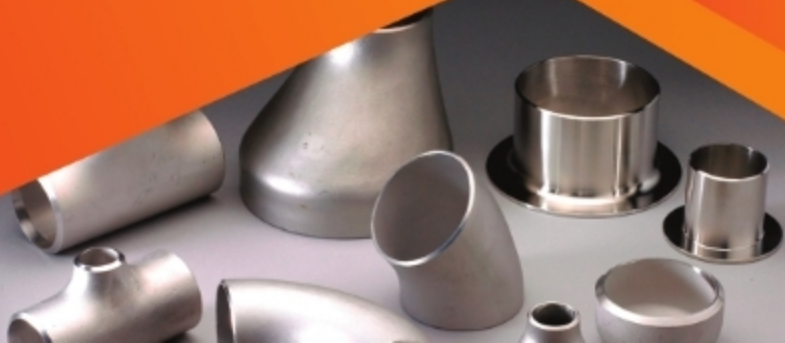

Schedules: Sch10 up to Sch160/XXS

Ends: Beveled/Plain

Availability: Stock / Production

Available Grades:

STAINLESS STEEL	A403- 304/L, 316/L, 321
CARBON STEEL	A234-WPB& WP5, WP9, WP11, WP22, A420-WPL3/WPL6
DUPLEX & SUPER DUPLEX	UNS S31803, UNS S32750, UNS S32760, F53, F55
NICKEL & HIGH TEMPERATURE	310, 904L, UNS N08825, UNS N06625, UNS N08020, Titanium Gr2

TUBES:

Manufacturing Standards: ASTM, ASME/EN/DIN, NACE

Process: Seamless and Welded

Sizes: 1/8" to 2"

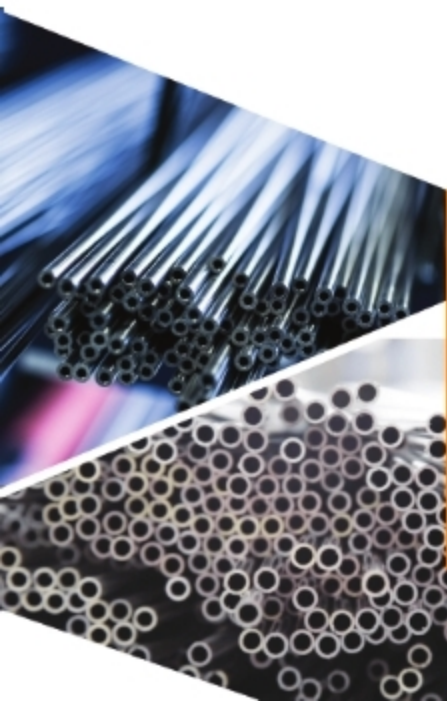

Ends: Plain

Lengths: SRL 5-8m and Coiled

Availability: Stock / Production

Available Grades:

STAINLESS STEEL	A269, A789-304/304L, 316/316L, 321/321H, 317/317L
COPPER	B-88, B-306 & B-280-TYPE K, TYPE L, TYPE M, TYPE DWV
DUPLEX & SUPER DUPLEX	DUPLEX 2205 (S31803) / DUPLEX 2304 / SUPER DUPLEX 2507 (S32750)
NICKEL & HIGH TEMPERATURE	ALLOY 20 / 200 / 201 / 276 / 400 / 600 / 625, Titanium Gr2

TUBE FITTINGS:

Manufacturing Standards:

ASTM, ASME, ISO, BS EN, DIN, JIS, SAE

Fitting Types:

Tube to Tube Union, Tube to Male Pipe,
Tube to Female Pipe, Tube Stub Connector, Lok Flanges,
Tube to AN Tube, Tube to Nin-Positionable O-Seal,
Tube to Positionable Straight Thread, Tube to Weld End,
Plug, Cap, Insert,

Sizes: 1/16" to 2"

Rating: Up to 7000 psi

Ends: Threaded, SW, BW, Compression type

Availability: Stock / Production

Available Grades:

STAINLESS STEEL 316	A276, A479, SA479, JIS G4303, A182, SA182, JIS G3214
BRASS	B16 UNS C36000, B453 UNS C35300, JIS H3250, B283, JIS H3250
CARBON STEEL	A675 Gr.60-90, JIS G4051 S20C-S48C, A105
DUPLEX & SUPER DUPLEX	A276, A479 (S31803, S32750), A182 F51, F53
ALUMINUM	B211 ALLOY 2024 T6, B247
NICKEL ALLOYS 20, C276, 400, 600, 625, 825	B473, B462, B574, B564, B164, B166, B446, B425
TITANIUM Gr.2	B348 Gr.2, B381 F3

FLANGES:

Manufacturing Standards:

ASME B 16.5/B16.36/B16.48 -EN1092-1/EN1759-1 -NFE- DIN

Flange Types:

WN Flange, Blind Flange, Slip-On Flange, SW Flange, Threaded Flange,
Lap-Joint Flange, Spectacle Blind Flange

Pressure Rating: From 150LBS to 2500LBS / PN10 to PN400

Sizes: From 1/2" to 72"

Face Types: RF, FF, RTJ

Availability: Stock / Production

Available Grades:

STAINLESS STEEL	A182- F304/L, F316/L, F321
CARBON STEEL	A105, A350 LF2
DUPLEX & SUPER DUPLEX	F51, F53, F55, F60, F61
NICKEL & HIGH TEMPERATURE	F310, F904L, UNS N08825, UNS N06625, UNS N08020, Titanium Gr2

FORGED FITTINGS:

Manufacturing Standards: ASTM, ASME, ANSI, MSS

Types:

90 Degree Elbow / 45 Degree Elbow / Equal & Reducing Tee /
Full & Reducing Coupling / Bushes / Plugs / Caps / Crosses / Unions

Dimensions to:

ANSI B16.11 / BS 3799 / B1.20.1 / ISO 7-1 / MSS SP 97 / MSS SP 83 /
MSS SP 95

End connection: NPT / Socket Weld / BSPT

Rating: 3000LBS / 6000LBS / 9000LBS

Size: 1/8" to 4"

Availability: Stock / Production

Available Grades:

STAINLESS STEEL	A182- F304/L, F316/L, F321
CARBON STEEL	A105, A350 LF2
DUPLEX & SUPER DUPLEX	F51, F53, F55, F60, F61
NICKEL & HIGH TEMPERATURE	F310, F904L, UNS N08825, UNS N06625, UNS N08020, Titanium Gr2

VALVES:

Manufacturing Standards:

ASTM A105, A182, A216 WCB/WCC, A217, A315,
A352, A351 CF8/CF8M, CF3/CF3M, LCB, LCC, LF2.

Types:

Gate, Globe, Check, Ball (FORGED & CAST), Butterfly.

Dimensions to:

ASME, API

End connection:

PLAIN, THREADED, SW

Rating:

From 150LBS to 2500LBS / PN10 to PN400

Size:

From 1/2" to 24"

Availability:

Stock / Production

HYGIENIC SPACES:

HYGIENIC WALL PANELS AND CEILING TILES:

Crane Composites Inc., a subsidiary of Crane Co. (NYSE:CR), is the world leading manufacturer of Fiberglass Reinforced Plastic (FRP). Since 1954, Crane Composites have built a proven leadership reputation for Hygienic Wall Cladding and Ceiling Tiles by delivering innovative FRP Panels that provide an unsurpassed Hygiene and Long-term Durability and by outperforming the traditional ceramic tiles, PVC, metals and woods.

The lightweight FRP panels made in Crane, are the ideal Hygienic Panels and Wall Protection solutions and provide a strong value propositions such as: Impacts/Scratches, chemicals, mold, mildew, does not support bacteria growth, moisture and corrosion. With their strong stain resistance and long-term sanitary finish, Crane FRP panels provide the best ROI to End-user thanks to the low cost of maintenance of the above challenges over time.

HYGIENIC SPACES:

We are specialized in supplying stainless steel Health Care, human health and laboratories equipment at the national and international standards serving sectors like Hospitals, Laboratories, Food Industry, Chemical Industry and Pharmaceutical Industry.

Our supplies come from world class manufacturers with premium quality and fast delivery including but not limited to the following:

- CLEANROOM STAINLESS STEEL EQUIPMENTS:

Ultrasonic Cleaner counter, Pre-Washing Counter, Instruments Washing Sinks, Working Tables, Instrument Cabinet, Workstation, Emergency Body & Eye Shower, Shelving System, Controlled Transition Doors, and many others

- OPERATING ROOM STAINLESS STEEL EQUIPMENTS:

Hand Wash Scrub Unit, Doctor Hand Washing Unit, Operating Room Cabinet, Mayo Table, Serum Hanger, Instrument Trolley, and many others.

- GENERAL STAINLESS STEEL EQUIPMENTS:

Instrument Cabinet, Stainless Basin, Pedestal Ashtray, Emergency Carts, Drug Trolley, Dressing Trolley, Waste Sink, Cabinets, and many others.

- MORGUE AND ANATOMY UNITS:

Morgue Units, Autopsy Tables, Washing Tables, Cadaver Lift, and others.

FABRICATION SERVICES:

KADEN is ready to help you with your projects by providing professional fabrication services through its local and international partners and through our inhouse services. With the help of our professional third-party fabricators, we were providing complete services to our clients in their projects starting by supplying materials readily fabricated as per client requests through which we were saving them cost and time of the unnecessary transportation. Our fabrication services include the following:

CUTTING

THREADING

GROOVING

COATING

PIPE SPOOLING
